

READ BEFORE SUBMITTING YOUR REIMBURSEMENT FORM.

DO NOT FAX THESE INSTRUCTIONS WITH YOUR REIMBURSEMENT FORM.

Required Information for Reimbursement

The IRS requires you to substantiate all claims with documentation. The documentation must detail the healthcare expenses and include 5 key data points:

- Name of provider
- Name of patient
- Description of services
- Date (s) of service. The paid date may or may not be the same as the date of service; the date of service is required. Keep copies for your tax records.
- The cost of the service

Requests submitted without the above information cannot be paid.

Credit card receipts and canceled checks are not sufficient documentation.

For faster payment, add EFT by logging into www.myhealthequity.com or submitting the direct deposit form.

Claim Reimbursement Checklist

1. Complete the claim form in its entirety. Online and paper claims submissions require all necessary fields.
2. Enclose the required documentation that includes all of the data elements listed above.
3. Sign the claim form. A signature is required.
4. Keep the original receipts for your records and send copies to us.

Over-the-Counter Medications

Over the counter (OTC) medication is only eligible if prescribed by a medical provider to treat a specific medical condition. Please submit a written prescription or a Letter of Medical Necessity along with your request. A prescription or Letter of Medical Necessity is good for a 12 month period. The Letter of Medical Necessity form is available under Forms and Docs in the Member Portal.

Orthodontics and Dependent Care Accounts (DCRA)

Recurring payments can be scheduled for the duration of the plan year when an Orthodontia Contract is provided. If requesting an amount other than the down payment or installments, as outlined in the contract, you will need to submit an itemized payment receipt, providing the date and amount paid. DCRA claims can also be set up on recurring payments. Please select the Annual Option on the claim form and provide an itemized receipt of the monthly amount paid, OR by your provider certifying the request by signing the form. A claim will be entered for the requested amount, or your election amount (whichever is greater) and payments will be sent as deposits are made into your account.
